ABOUT THE ANNUAL MEETING

When and where will the annual meeting be held?

The annual meeting is scheduled to take place at 10:00 a.m. Central Time on May 15, 2019, at the office of CommunityBank of Texas, N.A. located at 5999 Delaware Street, Beaumont, Texas 77706.

What is the purpose of the annual meeting?

At the annual meeting, shareholders will act upon the matters outlined in the notice, including the following:

1. To elect four (4) Class I directors to serve on the board of directors of the Company until the Company's 2022 annual meeting of shareholders; each until their respective successor or successors are duly elected and qualified or until their earlier resignation or removal;
2. To ratify the appointment of Grant Thornton LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2019; and
3. To transact such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

Who are the nominees for Class I directors?

The following four (4) persons have been nominated for election as Class I directors of the Company:

Robert R. Franklin, Jr.
J. Pat Parsons
Michael A. Havard
Tommy W. Lott

Who is entitled to vote at the annual meeting?

The holders of record of the Company's outstanding common stock as of the close of business on March 22, 2019 (the "record date") will be entitled to vote at the annual meeting. Each holder of record of the Company's outstanding common stock on the record date will be entitled to one vote for each share held on all matters to be voted upon at the annual meeting. On the record date, there were 25,143,136 shares of common stock outstanding and entitled to vote.

How do I vote?

You may vote your shares of common stock either in person at the annual meeting or by proxy. The process for voting your shares depends on how your shares are held as described below. If you are a record holder on the record date for the annual meeting, you may vote by proxy or you may attend the annual meeting and vote in person. If you are a record holder and want to vote your shares by proxy, you may vote using any of the following methods:

- indicate on the proxy card applicable to your common stock how you want to vote and sign, date and mail your proxy card in the enclosed pre-addressed postage-paid envelope as soon as possible to ensure that it will be received in advance of the annual meeting;
- go to the website www.envisionreports.com/CBTX and follow the instructions for Internet voting on that website; or
- vote over the telephone by following the instructions in the proxy card.

The Company must receive your vote no later than the time the polls close for voting at the annual meeting for your vote to be counted at the annual meeting. Please note that Internet voting will close at 1:00 a.m. Central Time on May 15, 2019.

Voting your shares by proxy will enable your shares of common stock to be represented and voted at the annual meeting if you do not attend the annual meeting and vote your shares in person. By following the voting instructions in the materials you receive, you will direct the designated persons (known as "proxies") to vote your common stock at the annual meeting in accordance with your instructions. The board has appointed Robert R. Franklin, Jr. and J. Pat Parsons to serve as the proxies for the annual meeting. If you vote by Internet or telephone, you do not have to return your proxy or voting instruction card.

If your shares of common stock are held in "street name," your ability to vote over the Internet depends on your broker's voting process. You should follow the instructions on your broker's or intermediary's voting instruction card.

To vote the shares that you hold in "street name" in person at the annual meeting, you must bring a legal proxy from your broker, bank or other nominee, (1) confirming that you were the beneficial owner of those shares as of the close of business on the record date, (2) stating the number of shares of which you were the beneficial owner that were held for your benefit at that time by that broker, bank or other nominee, and (3) appointing you as the record holder's proxy to vote the shares covered by that proxy at the annual meeting. If you fail to bring a nominee-issued proxy to the annual meeting, you will not be able to vote your nominee-held shares in person at the annual meeting.

What is the difference between a shareholder of record and a "street name" holder?

If your shares are registered directly in your name with Computershare Trust Company, N.A., the Company's stock transfer agent, you are considered the "shareholder of record" with respect to those shares. This proxy statement and the proxy card have been sent directly to you by Computershare Trust Company, N.A. at the Company's request.

If your shares are held in a brokerage account or by a bank or other nominee, the nominee is considered the record holder of those shares. You are considered the beneficial owner of these shares, and your shares are held in "street name." This proxy statement and the proxy card or voting instruction card have been forwarded to you by your nominee. As the beneficial owner, you have the right to direct your nominee concerning how to vote your shares by using the voting instructions your nominee included in the mailing or by following its instructions for voting.

What constitutes a quorum for the annual meeting?

A quorum will be present at a meeting of shareholders if the holders of shares having a majority of the voting power represented by all of the issued and outstanding shares entitled to vote at the meeting are present in person or represented by proxy at the meeting. Each record holder of shares of common stock is entitled to one vote for each share of common stock registered, on the record date, in such holder's name on the books of the Company on all matters to be acted upon at the annual meeting. The Company's certificate of formation prohibits cumulative voting.

What is a broker non-vote?

A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. Your broker has discretionary authority to vote your shares with respect to the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm (Proposal 2). In the absence of

specific instructions from you, your broker does not have discretionary authority to vote your shares with respect to the election of Class I directors to the board (Proposal 1).

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. Similarly, if you are a shareholder of record and hold shares in a brokerage account, you will receive a proxy card for shares held in your name and a voting instruction card for shares held in “street name.” Please complete, sign, date and return each proxy card and voting instruction card that you receive to ensure that all your shares are voted.

What are the board’s recommendations on how I should vote my shares?

The board recommends that you vote your shares as follows:

Proposal 1—**FOR** the election of each nominee for Class I director; and

Proposal 2—**FOR** the ratification of the appointment of Grant Thornton LLP.

How will my shares be voted if I return a signed and dated proxy card, but don’t specify how my shares will be voted?

If you are a record holder who returns a completed proxy card that does not specify how you want to vote your shares on one or more proposals, the proxies will vote your shares for each proposal as to which you provide no voting instructions, and such shares will be voted in the following manner:

Proposal 1—**FOR** the election of each nominee for Class I director; and

Proposal 2—**FOR** the ratification of the appointment of Grant Thornton LLP.

If you are a “street name” holder and do not provide voting instructions on one or more proposals, your bank, broker or other nominee will be unable to vote those shares, except that such nominee will have discretion to vote on the ratification of the appointment of Grant Thornton LLP (Proposal 2).

What are my choices when voting?

In the election of Class I directors, you may vote for all Class I director nominees or you may withhold your vote as to one or more director nominees. With respect to the proposal to ratify the appointment of Grant Thornton LLP, you may vote for the proposal, against the proposal or abstain from voting on the proposal.

May I change my vote after I have submitted my proxy card?

Yes, if you own common stock of record, you may revoke your proxy or change your voting instructions at any time before your shares are voted at the annual meeting by:

- delivering to the Company prior to the annual meeting a written notice of revocation addressed to: CBTX, Inc., 9 Greenway Plaza, Suite 110, Houston, Texas 77046, Attn: Corporate Secretary;
- completing, signing and returning a new proxy card with a later date than your original proxy card, prior to such time that the proxy card for any such holder of common stock must be received, and any earlier proxy will be revoked automatically;

- logging onto the Internet website specified on your proxy card in the same manner you would to submit your proxy electronically or by calling the telephone number specified on your proxy card and following the instructions indicated on the proxy card; or
- attending the annual meeting and voting in person, and any earlier proxy will be revoked. However, attending the annual meeting without voting in person will not revoke your proxy.

If your shares are held in “street name” and you desire to change any voting instructions you have previously given to the record holder of the shares of which you are the beneficial owner, you should contact the broker, bank or other nominee holding your shares in “street name” in order to direct a change in the manner your shares will be voted.

What percentage of the vote is required to approve each proposal?

Assuming the presence of a quorum, the affirmative vote of the holders of a plurality of the votes cast at the annual meeting is required for the election of the director nominees (Proposal 1). The four (4) Class I director nominees who receive the most votes from the holders of the shares of our common stock for their election will be elected.

The ratification of Grant Thornton LLP’s appointment as the Company’s independent registered public accounting firm (Proposal 2) will require the affirmative vote of the holders of a majority of the votes cast at the annual meeting regarding that proposal.

How are broker non-votes and abstentions treated?

Broker non-votes, as long as there is one routine matter to be voted on at the meeting, such as the ratification of appointment of Grant Thornton LLP here, and abstentions, are counted for purposes of determining the presence or absence of a quorum. A broker non-vote or a withholding of authority to vote with respect to one or more nominees for director will not have the effect of a vote against such nominee or nominees (Proposal 1).

Because the ratification of the appointment of the independent registered public accounting firm is considered a routine matter and a broker or other nominee may generally vote on routine matters, no broker non-votes are expected to occur in connection with the proposal to ratify the appointment of Grant Thornton LLP as the Company’s independent registered accounting firm. Any abstentions will not have the effect of a vote against the proposal to ratify the appointment of Grant Thornton LLP as the Company’s independent registered public accounting firm (Proposal 2).

What are the solicitation expenses and who pays the cost of this proxy solicitation?

The board is asking for your proxy, and we will pay all of the costs of soliciting shareholder proxies. In addition to the solicitation of proxies via mail, our officers, directors and employees may solicit proxies personally or by other means of communication, without being paid additional compensation for such services. The Company will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding the proxy materials to beneficial owners of common stock.

Are there any other matters to be acted upon at the annual meeting?

Management does not intend to present any business at the annual meeting for a vote other than the matters set forth in the notice, and management has no information that others will do so. The proxy also confers on the proxies the discretionary authority to vote with respect to any matter properly presented at the annual meeting. If other matters requiring a vote of the shareholders properly come before the annual meeting, it is the intention of the persons named in the accompanying form of proxy

to vote the shares represented by the proxies held by them in accordance with applicable law and their judgment on such matters.

Where can I find voting results?

The Company will publish the voting results in a current report on Form 8-K, which will be filed with the SEC within four business days following the annual meeting.

How can I communicate with the board?

To communicate with the board, shareholders should submit their comments by sending written correspondence via mail or courier to CBTX, Inc., 9 Greenway Plaza, Suite 110, Houston, Texas 77046, Attn: Corporate Secretary; or via email at CorpSecretary@cbotx.com. Shareholder communications will be sent directly to the specific director or directors of the Company indicated in the communication or to all members of the board if not specified.

Election Procedures

The affirmative vote of a plurality of the votes cast at an annual meeting at which a quorum is present is required for the election of each of the nominees for Class I director. This means that the four (4) Class I director nominees who receive the most votes from the holders of the outstanding shares of common stock for their election at this year's annual meeting will be elected.

Unless the authority to vote for the election of Class I directors is withheld as to one or more of the nominees, all shares of common stock represented by proxy will be voted **FOR** the election of the nominees. If the authority to vote for the election of Class I directors is withheld as to one or more but not all of the nominees, all shares of common stock represented by any such proxy will be voted **FOR** the election of the nominee or nominees, as the case may be, as to whom such authority is not withheld.

If a nominee becomes unavailable to serve as a Class I director for any reason before the election, the shares represented by proxy will be voted for such other person, if any, as may be designated by the board. The board has no reason to believe that any nominee will be unavailable to serve as a Class I director. All of the nominees have consented to being named herein and to serve if elected.

THE BOARD RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES LISTED ABOVE FOR ELECTION TO THE BOARD.

The following is a brief discussion of the business and banking background and experience of our continuing directors that will stand for re-election at the annual meeting of shareholders to be held in 2020 or 2021, as applicable.

PROPOSAL 2. RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Pursuant to the recommendation of the Audit Committee, the board has appointed Grant Thornton LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2019. The board is seeking ratification of the appointment of Grant Thornton LLP for the 2019 fiscal year. Shareholder ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for the 2019 fiscal year is not required by our bylaws, state law or otherwise. However, the board is submitting the selection of Grant Thornton LLP to our shareholders for ratification as a matter of good corporate governance. If the shareholders fail to ratify the selection, the Audit Committee will consider this information when determining whether to retain Grant Thornton LLP for future services.

At the annual meeting, shareholders will be asked to consider and act upon a proposal to ratify the appointment of Grant Thornton LLP. Assuming a quorum is present, the ratification of such appointment will require the affirmative vote of the holders of a majority of the votes cast at the annual meeting. Representatives of Grant Thornton LLP are expected to be in attendance at the annual meeting and will be afforded the opportunity to make a statement. The representatives will also be available to respond to questions.

THE BOARD RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF GRANT THORNTON LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2019.

BOARD AND COMMITTEE MATTERS

Board Meetings

Our board met four times during the 2018 fiscal year (including regularly scheduled and special meetings). During fiscal year 2018, each director participated in at least 75% or more of the aggregate of (i) the total number of meetings of the board (held during the period for which he or she was a director) and (ii) the total number of meetings of all committees of the board on which he or she served (during the period that he or she served).

Director Attendance at Annual Meeting

The board encourages all directors to attend the annual meeting of shareholders. All but one of our directors attended the 2018 annual meeting of shareholders. We anticipate all of our nominees for election will attend the upcoming annual meeting.

Board Composition

The size of our board is currently set at 11 members. In accordance with the Company's bylaws, members of the board are divided into three classes, Class I, Class II and Class III. The members of each class are elected for a term of office to expire at the third succeeding annual meeting of shareholders following their election. The term of office of Class I, Class II and Class III directors will expire at the annual shareholders' meeting to be held in 2019, 2020 and 2021, respectively. There are no family relationships of first cousin or closer among our directors or officers by blood, marriage or adoption.

Any director vacancies resulting from death, resignation, retirement, disqualification, removal from office or other cause, and newly created directorships resulting from any increase in the authorized number of directors, may be filled only by the affirmative vote of a majority of the remaining directors, even if the remaining directors constitute less than a quorum of the full board, and in the event that there is only one director remaining in office, by such sole remaining director. In accordance with the Company's bylaws, a director appointed to fill a vacancy will be appointed to serve until such director's successor shall have been duly elected and qualified. During a period between two successive annual meetings of shareholders, our board cannot fill more than two vacancies created by an increase in the number of directors. Notwithstanding the foregoing, a vacancy to be filled because of an increase in the number of directors may be filled by election at an annual or special meeting of shareholders called for that purpose.

As discussed in greater detail below, the board has affirmatively determined that nine of our 11 current directors qualify as independent directors under the applicable rules of the NASDAQ Global Select Market and the SEC.

Director Independence

Under the rules of the NASDAQ Global Select Market, a majority of the members of our board are required to be independent. The rules of the NASDAQ Global Select Market, as well as those of the SEC, also impose several other requirements with respect to the independence of our directors.

Our board has evaluated the independence of each director based upon these rules. Applying these rules, our board has affirmatively determined that, with the exception of Messrs. Franklin and Parsons, each of our current directors qualifies as an independent director under applicable rules. In making these determinations, our board considered the current and prior relationships that each director has and has had with the Company and all other facts and circumstances our board deemed relevant in determining their independence, including the beneficial ownership of common stock by

each director, and the transactions described under the section titled “Certain Relationships and Related Person Transactions” in this proxy statement.

Board Leadership Structure

Robert R. Franklin Jr., currently serves as our Chairman, President and Chief Executive Officer. Mr. Franklin joined the Company in 2013 in connection with our merger of equals with VB Texas, Inc. He became Chairman and President of the Company in December 2015. Mr. Franklin’s primary duties are to lead our board in establishing the Company’s overall vision and strategic plan and to lead the Company’s management in carrying out that plan.

Our board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board, as the board believes that it is in the best interests of the Company to make that determination from time to time based on the position and direction of the Company and the membership of the board. The board has determined that having our Chief Executive Officer serve as Chairman of the Board is in the best interests of our shareholders at this time. This structure makes best use of the Chief Executive Officer’s extensive knowledge of the Company and the banking industry. The board views this arrangement as also providing an efficient nexus between the Company and the board, enabling the board to obtain information pertaining to operational matters expeditiously and enabling our Chairman to bring areas of concern before the board in a timely manner. The board does not have a lead or presiding independent director.

Risk Management and Oversight

Our board is responsible for oversight of management and the business and affairs of the Company, including those relating to management of risk. Our full board determines the appropriate risk for us generally, assesses the specific risks faced by us, and reviews the steps taken by management to manage those risks. While our full board maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas as described in the section entitled “—Committees of the Board.”

Director Nominations

The Corporate Governance and Nominating Committee considers nominees to serve as directors of the Company and recommends such persons to the board. The Corporate Governance and Nominating Committee also considers director candidates recommended by shareholders who appear to be qualified to serve on the board and meet the criteria for nominees considered by such committee. The Corporate Governance and Nominating Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the board and the Corporate Governance and Nominating Committee does not perceive a need to increase the size of the board. In order to avoid the unnecessary use of the Corporate Governance and Nominating Committee’s resources, it will consider only those director candidates recommended in accordance with the procedures set forth in our bylaws, which are summarized generally in the section titled “—Procedures to be Followed by Shareholders for Director Nominations.”

Criteria for Director Nominees

The Corporate Governance and Nominating Committee has adopted a set of criteria that it considers when it identifies and recommends individuals to be selected by our board as nominees for election to the board. In addition to reviewing the background and qualifications of the individuals considered in the selection of candidates, the Corporate Governance and Nominating Committee looks at a number of attributes and criteria, including: experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments,

dedication, conflicts of interest and such other relevant factors that the Corporate Governance and Nominating Committee considers appropriate in the context of the needs of the board. The Corporate Governance and Nominating Committee does not have a formal policy with respect to diversity; however, the board and Corporate Governance and Nominating Committee believe that it is essential that the board members represent diverse viewpoints.

In addition, prior to nominating an existing director for re-election to the board, the Corporate Governance and Nominating Committee considers and reviews an existing director’s board and committee attendance and performance; length of board service; experience, skills and contributions that the existing director brings to the board; independence; and any significant change in the director’s status, including the attributes considered for initial membership on our board of directors.

Process for Identifying and Evaluating Director Nominees

Pursuant to the Corporate Governance and Nominating Committee Charter as approved by the board, the Corporate Governance and Nominating Committee is responsible for the process relating to director nominations, including identifying, recruiting, interviewing and selecting individuals who may be nominated for election to the board.

The process that the Corporate Governance and Nominating Committee follows when it identifies and evaluates individuals to be nominated for election to the board is set forth below.

Identification. For purposes of identifying nominees for the board, the Corporate Governance and Nominating Committee will rely on personal contacts of the members of the board as well as their knowledge of members of the communities served by the Company. The Corporate Governance and Nominating Committee will also consider director candidates recommended by shareholders in accordance with the policy and procedures set forth in our bylaws and which are summarized generally below in the section titled “—Procedures to be Followed by Shareholders for Director Nominations.” The Corporate Governance and Nominating Committee has not previously used an independent search firm in identifying nominees.

Evaluation. In evaluating potential nominees, the Corporate Governance and Nominating Committee determines whether the candidate is eligible and qualified for service on the board by evaluating the candidate under the selection criteria set forth above. In addition, for any new director nominee, the Corporate Governance and Nominating Committee will conduct a check of the individual’s background and interview the candidate.

Procedures to be Followed by Shareholders for Director Nominations

Any shareholder of the Company entitled to vote in the election of directors may recommend to the Corporate Governance and Nominating Committee one or more persons as a nominee for election as director at a meeting only if such shareholder has given timely notice in proper written form of such shareholder’s intent to make such nomination or nominations. To be timely, a shareholder’s notice given in the context of an annual meeting of shareholders must be delivered to or mailed and received at the principal executive office of the Company not less than 120 calendar days nor more than 150 calendar days prior to the first anniversary of the preceding year’s annual meeting. However, in the event that the date of the annual meeting is advanced more than 30 calendar days prior to such anniversary date or delayed more than 60 calendar days after such anniversary date, then to be timely the notice must be received by the Company no later than the later of 70 calendar days prior to the date of the annual meeting or the close of business on the seventh calendar day following the earlier of the date on which notice of the annual meeting is first mailed by or on behalf of the Company or first made public. Any adjournment or postponement of an annual meeting will not commence a new time period for the purposes of giving notice.

To be in proper written form, a shareholder's notice to the Secretary of the Company must set forth:

- as to each person whom the shareholder proposes to nominate for election or reelection as a director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, including such person's written consent to being named in the proxy statement as a nominee and to serving as a director, if elected;
- as to the shareholder giving the notice, the name and address of such shareholder; the class and number of shares of the Company and other economic and voting interests or similar positions, securities or interests held by such shareholder;
- a description of any material relationships, including financial transactions and compensation, between the shareholder giving the notice and any shareholder associated person, on the one hand, and the proposed nominee or nominees, and such nominee's affiliates and associates, or others acting in concert with the nominee, on the other hand;
- a completed independence questionnaire regarding the proposed nominee or nominees;
- a written representation from such proposed nominee or nominees that they do not have, nor will they have, any undisclosed voting commitments or other arrangements with respect to their actions as a director;
- a written representation from such proposed nominee or nominees that they comply with all applicable corporate governance policies and eligibility requirements; and
- any other information reasonably requested by the Company.

Shareholder nominations should be addressed to the Chairman of the Corporate Governance and Nominating Committee of CBTX, Inc., Attn: James Sturgeon, 9 Greenway Plaza, Suite 110, Houston, Texas 77046.

A nomination not made in compliance with the foregoing procedures will not be eligible to be voted upon by the shareholders at the meeting. The Corporate Governance and Nominating Committee has the power and duty to determine whether a nomination was made in accordance with procedures set forth above and, if any nomination is not in compliance with the procedures set forth above, to declare that such defective nomination will be disregarded.

Committees of the Board

Our board has established an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee.

Our board may establish additional committees as it deems appropriate, in accordance with applicable law and regulations and our certificate of formation and bylaws.

In addition, our board of directors has determined that Mr. Wilson is a financial expert and has the financial sophistication required of at least one member of the Audit Committee by the rules of the NASDAQ Global Select Market due to his experience and background. Our board of directors has

also determined that Mr. Wilson qualifies as an "audit committee financial expert" under the rules and regulations of the SEC. The Audit Committee met five times in 2018.

The purpose of the Audit Committee is to assist the board in fulfilling its oversight responsibilities with respect to the following, among other things:

- selecting and reviewing the performance of our independent auditor and approving, in advance, all engagements and fee arrangements;
- reviewing reports from the independent auditor regarding its internal quality control procedures and any material issues raised by the most recent internal quality-control or peer review or by governmental or professional authorities, and any steps taken to deal with such issues;

The Audit Committee has adopted a written charter, which sets forth the Audit Committee's duties and responsibilities. The Audit Committee charter is available on our website at www.communitybankcoftx.com under "Investor Relations—Corporate Governance—Documents and Charters".

Compensation Committee

The members of our Compensation Committee are Messrs. Havard (Chairman), Lott, Penland, Reaud and Swinbank. Our board of directors has evaluated the independence of each of the members of our Compensation Committee and has affirmatively determined that each of the members of our Compensation Committee meets the definition of an "independent director" under NASDAQ Global Select Market rules. Our board of directors has also determined that each of the members of the Compensation Committee qualifies as a "nonemployee director" within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and with the exception of Mr. Reaud, each is an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code. The Compensation Committee met five times in 2018. The Compensation Committee charter requires the Compensation Committee to meet at least once annually.

The purpose of the Compensation Committee is to assist the board in its oversight of our overall compensation structure, policies and programs and assessing whether such structure establishes appropriate incentives and meets our corporate objectives, the compensation of our executive officers and the administration of our compensation and benefit plans.

The Compensation Committee has responsibility for, among other things:

- reviewing and recommending the annual compensation, annual incentive opportunities and any other matter relating to the compensation of our executive officers;
- reviewing and making recommendations to the board with respect to all employment agreements, severance or termination agreements, change in control agreements or similar agreements between an executive officer and the Company;

The Compensation Committee has adopted a written charter, which sets forth the Compensation Committee's duties and responsibilities. The Compensation Committee charter is available on our website at www.communitybankoftx.com under "Investor Relations—Corporate Governance—Documents and Charters".

During 2018, the Compensation Committee engaged Hunt Financial Group ("Hunt") as an independent compensation consultant to obtain objective, expert advice on the Company's executive compensation program and practices. Pursuant to the engagement, Hunt provided the Compensation Committee with information regarding the competitive market for executive talent and marketplace compensation trends, assisted the Compensation Committee with the identification and approval of an appropriate peer group against which to benchmark the Company's executive compensation program practices, and provided recommendations for revisions to the Company's existing compensation for its officers. The Compensation Committee has assessed the independence of Hunt pursuant to the rules of the SEC and concluded that Hunt's work for the Compensation Committee did not raise any conflicts of interest during 2018.

Corporate Governance and Nominating Committee

The members of our Corporate Governance and Nominating Committee are Messrs. Williams (Chairman), Havard, Lott, Morgan, Penland, Reaud, and Swinbank. Our board of directors has evaluated the independence of each of the members of our Corporate Governance and Nominating Committee and has affirmatively determined that each of the members of our Corporate Governance and Nominating Committee meets the definition of an "independent director" under NASDAQ Global Select Market rules. The Corporate Governance and Nominating Committee was formed in September

2017 and first met in February 2018. The Corporate Governance and Nominating Committee did not retain the services of any independent search firm during 2018.

The Corporate Governance and Nominating Committee has responsibility for, among other things:

- reviewing the performance of our board and each of its committees;
- identifying, assessing and determining the qualification, attributes and skills of, and recommending, persons to be nominated by our board for election as directors and to fill any vacancies on our board of directors;
- reviewing and recommending to our board each director's suitability for continued service as a director upon the expiration of his or her term and upon any material change in his or her status; and
- reviewing the size and composition of our board as a whole, and recommending any appropriate changes to reflect the appropriate balance of required independence, knowledge, experience, skills, expertise and diversity.

Our Corporate Governance and Nominating Committee has adopted a written charter, which sets forth the Corporate Governance and Nominating Committee's duties and responsibilities. The Corporate Governance and Nominating Committee charter is available on our website at www.communitybankoftx.com under "Investor Relations—Corporate Governance—Documents and Charters."

Independent Auditors

The Audit Committee has recommended, and the board appointed, Grant Thornton LLP as our independent auditors to audit the consolidated financial statements of the Company for the 2019 fiscal year. Grant Thornton LLP served as our independent auditors for the 2018 fiscal year and reported on the Company's consolidated financial statements for that year.

Fees Paid to Independent Registered Public Accounting Firm

The Audit Committee has reviewed the following audit and non-audit fees billed to the Company by Grant Thornton LLP for 2018 and 2017 for purposes of considering whether such fees are compatible with maintaining the auditor's independence, and concluded that such fees did not impair Grant Thornton LLP's independence. The policy of the Audit Committee is to pre-approve all audit and non-audit services performed by Grant Thornton LLP before the services are performed, including all of the services described under "Audit Fees" and "Audit-Related Fees", "Tax Fees" and "All Other Fees" below. The Audit Committee has pre-approved all of the services provided by Grant Thornton LLP in accordance with the policies and procedures described in the section titled "—Audit Committee Pre-Approval."

Audit Committee Pre-Approval

The Audit Committee's charter establishes a policy and related procedures regarding the Audit Committee's authority to approve, in advance, all auditing services (which, if applicable, may include providing comfort letters in connection with securities underwritings), and non-audit services that are otherwise permitted by law (including tax services, if any) that are provided to the Company by its independent auditors (which approval is made after receiving input from the Company's management, if desired). The Audit Committee may also delegate to one or more of its members the authority to pre-approve auditing services and non-audit services that are otherwise permitted by law, provided that each such preapproval decision is presented to the full Audit Committee at a scheduled meeting. In addition, the Audit Committee has the authority to review and, in its sole discretion, approve in advance the Company's independent auditors' annual engagement letter, including the proposed fees contained therein.

Involvement in Certain Legal Proceedings

In July 2009, the SEC filed a complaint against Mr. Penland, among others, alleging that Mr. Penland through Quality Mat Company aided and abetted other defendants engaged in violations of the antifraud, registration and reporting provisions of the federal securities laws. More specifically, the SEC alleged that Mr. Penland was part of a fraudulent accounting scheme that allowed Newpark Resources, Inc., a customer of Quality Mat Company, in fiscal year 2003 to avoid writing off approximately \$4.2 million in aging debt. Mr. Penland denied those allegations. In October of 2009, Mr. Penland, without admitting the allegations, consented to the entry of a permanent injunction as to future violations of the federal securities laws and agreed to pay a \$70,000 civil penalty.

Narrative Discussion of Summary Compensation Table

General. We compensate our named executive officers through a mix of base salary, discretionary cash bonuses, long-term incentive compensation and other benefits, which include, to a certain extent, perquisites. We originally established our executive compensation philosophy and practices to fit our status as a privately held corporation and adapted our philosophy and practices following our initial public offering. We believe the current mix and value of these compensation elements provide our named executive officers with total annual compensation that is both reasonable and competitive within our markets, appropriately reflects our performance and the executive’s particular contributions to that performance, and takes into account applicable regulatory guidelines and requirements.

Base Salary. Each named executive officer’s base salary is a fixed component of compensation for each year for performing specific job duties and functions. Historically, we have established annual base salary rates for Messrs. Franklin, Parsons and Pigott, subject in each case to their employment agreements, at a level necessary to retain the individual’s services and we have reviewed base salaries on an annual basis at the end of each year, with adjustments implemented at the beginning of the next year. We have historically made adjustments to the base salary rates of the named executive officers upon consideration of any factors that our board of directors deems relevant, including but not limited to (a) any increase or decrease in the executive’s responsibilities, (b) the executive’s job performance, and (c) the level of compensation paid to executives of other companies with which we compete for executive talent, as estimated based on competitive market data developed by Hunt, our independent compensation consultant, publicly available information and the experience of members of the board of directors and management.

The board of directors also analyzed the appropriateness of the base salary for each of our named executive officers in light of the base salaries of other executives in the peer group that were identified with the assistance of our independent compensation consultant, Hunt, both on a stand-alone basis and as a component of total compensation.

Discretionary Bonus. Historically, our annual cash bonus awards for named executive officers have been discretionary awards awarded by the board of directors after the end of each fiscal year. The determination of the amount of these discretionary cash bonus awards, if any, has been made based on an overall assessment of our performance in light of overall market conditions, along with these named executive officers’ individual performance, for the fiscal year. The annual bonuses earned by Messrs. Franklin and Parsons have historically been paid in two installments, with 75% of the approved bonus amount paid in the first quarter of the calendar year following the year in which the bonus was earned and the remaining 25% paid (with interest accrued at the rate of 7% per year) in February of the third calendar year following the year in which the bonus was earned, subject to the named executive officer’s continuing employment with us through such date.

Long-Term Incentive Compensation. In connection with our initial public offering, on November 7, 2017, our Compensation Committee granted awards of restricted stock under the CBTX, Inc. 2017 Omnibus Incentive Plan (the “2017 Plan”) to each of our named executive officers. Mr. Franklin received an award of 30,000 shares of restricted stock and Messrs. Parsons and Pigott each received an award of 10,000 shares of restricted stock. These awards vest in five equal annual installments beginning on November 7, 2018, subject to the named executive officer’s continued status as an employee on each applicable vesting date; provided, however, that these awards will become immediately and fully vested upon a change of control. In light of the equity awards made to our named executive officers in 2017, the Compensation Committee did not grant any equity awards to our named executive officers in 2018. However, on February 1, 2019, our Compensation Committee granted the following awards of restricted stock to our named executive officers: Mr. Franklin—2,667 shares of restricted stock; Mr. Parsons—1,833 shares of restricted stock; and Mr. Pigott—667 shares of restricted stock. Each of these awards vest in three equal annual installments beginning on February 2, 2020, subject to the named executive officer’s continued status as an employee on each applicable vesting date; provided, however, that these awards will become immediately and fully vested upon a change of control.

Employee Retirement Benefit Plan. Our named executive officers are also each eligible to participate in our 401(k) plan, which is designed to provide retirement benefits to all eligible employees. Our 401(k) plan provides employees with the opportunity to save for retirement on a tax-deferred basis, and permits employees to defer between 1% and 100% of eligible compensation, subject to statutory limits. Under the 401(k) plan, we may make discretionary matching contributions or any additional contributions.

Deferred Compensation Arrangements under Annual Bonus Plan. The Bank had in the past established unfunded deferred compensation arrangements with executive officers at the Bank, including Mr. Parsons, and certain other highly compensated employees who contributed to the continued growth, development and future business success of the Bank. Pursuant to these arrangements we contributed between 25% and 33% of each eligible participant's incentive bonus amount into a deferred compensation account. These arrangements were frozen to new contributions in 2014. Despite the restriction on further contributions, we recorded a continuing liability under these arrangements of approximately \$2.5 million for the year ended December 31, 2018. Mr. Parsons' deferred compensation account continues to hold the amounts deferred prior to the freeze date, which accrues interest at an annual rate of 7% compounded monthly. Mr. Parsons became fully vested on in his deferred compensation arrangement on March 1, 2018. The balance credited to Mr. Parsons' account under his deferred compensation arrangement was \$561,415 as of March 31, 2019.

2017 Salary Continuation Agreement. In October 2017, we entered into a salary continuation agreement (the "SERP"). Under the SERP, Mr. Franklin will receive an annual payment for ten years commencing at age 70 (the "Normal Retirement Benefit"). The amount of the annual payment (the "Annual SERP Payment") is determined by using reasonable actuarial assumptions to convert the SERP accrual balance (which is annually approved by the Compensation Committee and may be increased, but not decreased) into the Normal Retirement Benefit. The SERP accrual balance was \$219,000 at December 31, 2018, which yields a Normal Retirement Benefit with an Annual SERP Payment of approximately \$200,000. If Mr. Franklin's employment terminates before age 70, instead of the Normal Retirement Benefit he would receive a reduced annual payment that is based on the amount of the SERP accrual balance when employment termination occurs. The reduced installment payments would not commence until the seventh month after his termination of employment, or if earlier, the month after he attains age 70. The SERP also provides for a lump-sum cash benefit (in lieu of any other SERP benefit) payable immediately after a change in control, regardless of whether Mr. Franklin's employment also terminates. The lump-sum benefit is the amount of the SERP accrual balance as of the date of the change in control. If a change in control occurred while Mr. Franklin is receiving installment payments under the SERP, he would instead receive an immediate lump-sum payment consisting of the aggregate amount of all remaining installment payments.

Employment Agreements with Named Executive Officers

We have entered into employment agreements with each of our named executive officers. The following is a summary of the material terms of each such agreement.

Employment Agreement with Robert R. Franklin, Jr.

We entered into an amended and restated employment agreement with Mr. Franklin on October 28, 2017, pursuant to which he serves as our President and Chief Executive Officer and as Chief Executive Officer of the Bank for an initial term of five years that extends for successive one-year renewal terms unless either party gives 60-days' advance notice of non-renewal. As consideration for these services, the amended and restated employment agreement provides Mr. Franklin with the following compensation and benefits:

- A minimum annual base salary of \$450,000, subject to annual review by our Compensation Committee.
- Annual cash performance bonus opportunity in the minimum amount of 25% of his base salary.
- An award of 30,000 shares of restricted stock, after giving effect to the 2-for-1 stock split described herein (subject to adjustment for any stock splits, etc.), under our 2017 Omnibus Incentive Plan. These shares will vest in five equal annual installments beginning on the first

anniversary of the grant date of the award, subject to Mr. Franklin's continuous employment through each vesting date.

- Participation in the SERP, described above.
- Certain severance benefits in the event of a qualifying termination of employment (including in connection with a change in control). See "—Potential Payments upon a Termination of Employment or a Change in Control."
- Certain other employee benefits and perquisites, including a company-provided car and reimbursement of country club dues.

Pursuant to the amended and restated employment agreement, Mr. Franklin will be subject to a confidentiality covenant, a two-year post-termination non-competition covenant and a two-year post-termination non-solicitation covenant.

Employment Agreement with J. Pat Parsons

We entered into an employment agreement with Mr. Parsons on February 28, 2008 and May 21, 2008 (which was amended on December 30, 2008 and March 6, 2013), pursuant to which he serves as the Vice Chairman of our board of directors and as Vice Chairman of the board of directors of the Bank. The employment agreement provides for an initial term of five years and automatically renews each year. Pursuant to the employment agreement, Mr. Parsons is entitled to an annual base salary of \$300,000, subject to annual review by our board of directors, and is eligible to receive a discretionary bonus payment for each fiscal year. Mr. Parsons is also eligible to receive employee benefits, fringe benefits, and perquisites in accordance with the employment agreement. In addition, Mr. Parsons' employment agreement provides for certain severance benefits in the event of a qualifying termination of employment and certain payments in connection with a "change in control" of the Company. See "—Potential Payments upon a Termination of Employment or a Change in Control." Pursuant to the employment agreement, Mr. Parsons is eligible to receive an additional annual payment of \$100,000 for a period of 10 years upon reaching the age of 65, subject to certain restrictions.

Employment Agreement with Robert T. Pigott, Jr.

We entered into an employment agreement with Mr. Pigott on March 6, 2013, pursuant to which he serves as our Chief Financial Officer and the Chief Financial Officer of the Bank. The employment agreement provides for an initial term of five years and automatic renewals thereafter for successive one-year terms, unless either party provides notice of non-renewal at least 60 days prior to the renewal date. Pursuant to the employment agreement, Mr. Pigott is entitled to an annual base salary of \$225,000, subject to annual review by our board of directors, and is eligible to receive a discretionary bonus payment for each fiscal year. Mr. Pigott is also eligible to receive employee benefits, fringe benefits, and perquisites in accordance with the employment agreement. In addition, Mr. Pigott's employment agreement provides for certain severance benefits in the event of a qualifying termination of employment. See "—Potential Payments upon a Termination of Employment or a Change in Control."

Potential Payments upon a Termination of Employment or a Change in Control

Below we have described the severance and other change in control benefits to which our named executive officers would be entitled upon a termination of employment and in connection with a change in control.

Termination of Employment without Cause or Resignation with Good Reason

The employment agreements with each of our named executive officers provide for severance benefits if we terminate the executive without “cause” or the executive resigns with “good reason” (as each of those terms is defined in the applicable employment agreement), which circumstances we refer to as a “qualifying termination of employment.” Upon a qualifying termination of employment, the executive will be entitled to the following payments and benefits under his employment agreement:

- an amount equal to the accrued but unpaid base salary and unused vacation pay, which we refer to as the “accrued obligations”;
- a lump sum cash payment consisting of \$1,500,000 for Mr. Franklin (unless termination occurs during the 27-month period that begins three months prior to a change in control); 100% of one year’s annual base salary for Mr. Parsons (unless termination occurs due to change in control); and \$550,000 for Mr. Pigott;
- pro-rata portion of the executive’s annual bonus, except for Mr. Parsons, which we refer to as the “unpaid incentive payment”;
- medical benefits coverage for Mr. Franklin and Mr. Pigott and their dependents for 18 months and 24 months, respectively, following the date of termination of employment, and medical benefits coverage for Mr. Parsons and his dependents for the lesser of the period of time that the employment agreement would have been in effect, or 12 months, which we refer to as the “health and welfare benefits”; and
- Mr. Franklin will fully vest in all outstanding unvested equity awards that would have vested based solely on Mr. Franklin’s continued employment (i.e., all time-based equity awards).

Change in Control

Mr. Franklin

Pursuant to his amended and restated employment agreement, if Mr. Franklin is terminated by us or the Bank other than for “cause” or he resigns for “good reason” (as each of those terms is defined in Mr. Franklin’s amended and restated employment agreement) during the 27-month period that begins three months prior to a change in control (as such term is defined in Mr. Franklin’s amended and restated employment agreement) and ends 24 months following such change in control, then, in lieu of the \$1,500,000 cash severance payment otherwise payable to him, Mr. Franklin will be entitled to receive a cash severance payment equal to the greater of (a) \$1,500,000 and (b) the amount equal to three times the sum of his then-current base salary and target annual bonus for the calendar year in which the termination occurs.

In addition, under the terms of his SERP, upon a change in control Mr. Franklin is entitled to receive a lump-sum cash payment (in lieu of any other SERP benefit) in the amount of the Bank’s liability accrual balance in respect of the SERP (\$219,000 as of December 31, 2018). This amount is payable immediately after the change in control, regardless of whether Mr. Franklin’s employment also terminates.

Mr. Parsons

Under his employment agreement, Mr. Parsons is entitled to a lump sum cash payment in an amount equal to 100% of one year’s base salary upon termination without “cause” or if he resigns with “good reason,” unless the termination occurs during the 180-day period immediately following a “change in control” of the Company (as that term is defined in the employment agreement), in which case Mr. Parsons will be entitled to receive a lump sum cash payment in an amount equal to 150% of one year’s base salary.

Outstanding Equity Awards at Fiscal Year End

The following table sets forth information relating to the unexercised options held by our named executive officers as of December 31, 2018, granted under the VB Texas, Inc. 2006 Stock Option Plan (the “2006 Plan”). Under both the 2006 Plan and the CBFH, Inc. 2014 Stock Option Plan (the “2014 Plan”), all of the stock options were granted with a per share exercise price equal to the fair market value of our common stock on the grant date, except for an employee who owns more than 10% of total combined voting power of the Company or the Bank, whose exercise price would then be at least 110% of the fair market value on the date of the grant. In November 2017 we granted 212,580 shares of restricted stock under the CBTX, Inc. 2017 Omnibus Incentive Plan (the “2017 Plan”) to our directors, executive officers and certain key employees. Narrative disclosure regarding awards made pursuant to the Company’s equity compensation plans are set forth below following this table.

- (1) Market value of shares of restricted stock that have not vested is calculated by multiplying the number of shares of stock that have not vested by the closing market price of our Common Stock on December 31, 2018, which was \$29.40.
- (2) Options granted on December 13, 2011 and, pursuant to the merger with VB Texas, Inc., vested on July 22, 2013. These options were exercised in full on March 8, 2019.
- (3) Options granted on December 20, 2012 and, pursuant to the merger with VB Texas, Inc., vested on July 22, 2013.
- (4) Shares of restricted stock awarded under the 2017 Plan on November 11, 2017 vest in equal increments on an annual basis over a five-year period.

VB Texas, Inc. 2006 Stock Option Plan

In connection with our merger with VB Texas, Inc., we assumed the 2006 Plan, and each outstanding option to acquire shares of VB Texas, Inc. common stock that was outstanding at the effective time of the merger was converted into an option to purchase our common stock equal to the number of shares of VB Texas, Inc. common stock into which such options were exercisable immediately before the effective time multiplied by an exchange ratio. All of these options under the 2006 Plan became fully vested and immediately exercisable at the time of the merger with VB Texas, Inc. As of December 31, 2018, there were options outstanding to acquire 66,922 shares of our common stock under the 2006 Plan. The 2006 Plan expired by its terms on October 25, 2016, and no additional options may be granted under its terms.

CBFH, Inc. 2014 Stock Option Plan

In May 2014 our board of directors adopted the 2014 Plan, which was approved by our shareholders in May 2014. The 2014 Plan was adopted to attract and retain the best available personnel for positions of substantial responsibility, to provide additional incentives to selected employees and to

promote the success of the Company's business by offering these individuals an opportunity to acquire a proprietary interest in the success of the Company, or to increase this interest, by permitting them to receive shares of common stock of the Company. The maximum number of shares which may be issued pursuant to grants under the 2014 Plan is 1,127,200 shares of our common stock. As of December 31, 2018, there were options outstanding to acquire 165,400 shares of our common stock under the 2014 Plan.

CBTX, Inc. 2017 Omnibus Incentive Plan

In September 2017 our shareholders approved the 2017 Plan, which was previously approved by our board of directors. The purposes of the 2017 Plan are to provide additional incentives to selected officers, employees, non-employee directors and consultants, to strengthen their commitment, motivate them to faithfully and diligently perform their responsibilities and to attract and retain competent and dedicated persons who are essential to the growth and success of our business and whose efforts will impact our long-term growth and profitability. The 2017 Plan provides for the issuance of stock options, stock appreciation rights, or SARs, restricted stock, restricted stock units, or RSUs, stock bonuses, other stock-based awards and cash awards. These transactions include deposits, loans, and other financial services related transactions. Related person transactions are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral (where applicable), as those prevailing at the time for comparable transactions with persons not related to us, and do not involve more than normal risk of collectability or present other features unfavorable to us. Our loans and deposits with these parties have been made and accepted in compliance with applicable regulations and our written policies. We expect to continue to have such transactions on similar terms and conditions with such officers, directors and shareholders and their affiliates in the future.

We have adopted policies to comply with these regulatory requirements and restrictions, such as a written Related Person Transactions Policy which provides that any related person transaction is generally prohibited unless the Audit Committee determines that such transaction is fair to the Company and, if necessary, the Company has developed an appropriate plan to manage any conflicts of interest.

AUDIT COMMITTEE REPORT

Notwithstanding anything to the contrary set forth in any of the Company's previous or future filings under the Securities Act or the Exchange Act that might incorporate this proxy statement or future filings with the SEC, in whole or in part, the following report of the Audit Committee shall not be deemed to be incorporated by reference into any such filing.

The Audit Committee oversees the Company's financial reporting process on behalf of the board. Management has the primary responsibility for preparing the Company's financial statements and the reporting process, including developing, maintaining and evaluating the Company's internal control over financial reporting in accordance with generally accepted accounting principles, or GAAP. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the Company's audited financial statements for the fiscal year ended December 31, 2018, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee discussed with Grant Thornton LLP their audit of the Company's 2018 financial statements, including the Company's internal control over financial reporting. During 2018, the Audit Committee met with Grant Thornton LLP, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control over financial reporting, and the overall quality of the Company's financial reporting. In addition, the Audit Committee discussed with Grant Thornton LLP the matters required to be discussed pursuant to auditing standards adopted by the Public Company Accounting Oversight Board, or PCAOB, and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. The Audit Committee also discussed with Grant Thornton LLP the auditors' independence from management and the Company, including the matters in the written disclosures and the letter from Grant Thornton LLP required by the PCAOB, considered the compatibility of non-audit services with the auditors' independence and concluded that the auditor's independence had been maintained.

Based on its review and discussions noted above, the Audit Committee recommended to the Company's board that the audited financial statements be included in the annual report to shareholders on Form 10-K for the fiscal year ended December 31, 2018.
